PRESCHOOL PROGRAM

The Barrington Public Schools Inclusion Preschool Program is designed to provide a high quality preschool experience for children 3-5 years old. Certified teachers, teacher assistants, and therapists will be working with children with and without disabilities, through typical preschool activities. The program is located at Primrose Hill School. Sessions run 2.5 hours per day, 5 days per week. The morning session is for children 3.0 to 3.11 years old. The afternoon session is for children 4.0 to 5 years old, not in kindergarten. All children applying **must be 3.0 years old by the first day of the school year**. Children will be chosen by a lottery, held on Thursday, February 02, 2017. Lottery results will be mailed by February 10, 2017. If the name of a child from a multiple birth (twins/triplets) is chosen, both/all children can enter into the classroom if space allows.
